Re: License #06-05986-03; Docket #030-19376; Mail Control #106723

Dear Judy,

Here is the information you requested.

The CO-60 source sent to DuPont is model #NER400H. To the best of my knowledge, this is the only CO-60 source we have had in this Laboratory. This source was transferred to DuPont under their License #20-00320-21.

Please excuse the delay in getting this information to you but I myself did not get complete information until today.

Sincerely,

Amita N. Sanghvi
