RE: Renewal Application For
License No 37-20553-01

Pursuant to instructions received with forms for renewal of License No 37-20553-01, this letter will serve to certify that there has been no change in the management control/radiation safety program as authorized by the license (issued 05/13/82) and verified by an NRC safety inspection (01/08/85), except as follows:

Item No 12, Pg 2 of 3 should be changed to read:

12. Licensed material shall be used by, or under the supervision and in the physical presence of Alfonso De Leo, Jr., Joseph A. Herzog, John C. Barbacane, J. Stephen De Leo, Perry Abbonizio, Gilbert A. Pugh, Bradford Claney, Michael A. Brown, or James J. Collins.

This represents an addition of four (4) operators and a deletion of one (1) operator.

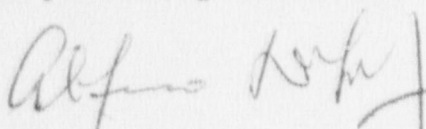

Note: The above named persons have certificates on file, or have seen the Troxler Laboratories Radiological Safety Training Course Presentation (Radiological Safety & Gauge Operation) at least one time.

A copy of material license 37-2055-01 has been attached to this submittal, along with the application fee in the amount of \$ 120.00 (Category 3-P fee stipulated by 10 CRF 170.31).

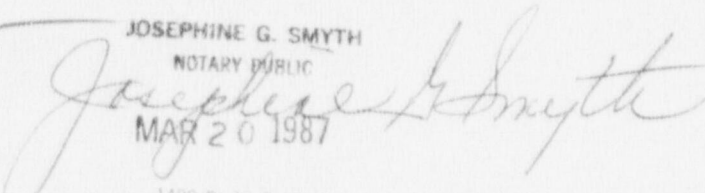

For additional or any question concerning this renewal application, please contact:

Alfonso De Leo, Jr.
