Subject: Reactor Control Room Audit Program

As required by paragraph IV (A) (2) of Reference 2, Detroit Edison is requesting that the following individual be added to the list of corporate managers and qualified employees or consultants (technical advisors) identified in Reference 5:

Corporate Manager: Mr. R. S. Lenart, General Director
Nuclear Engineering

Mr. Lenart has been associated with Fermi 2 since early 1960 where he started as a senior engineer at Fermi 2 and advanced until he became Fermi 2 Plant Manager in 1985. Mr. Lenart has recently assumed the responsibility of General Director, Nuclear Engineering.

Detroit Edison believes that inclusion of the above qualified individual in the Control Room Audit Program will enhance the program by adding relevant experience and perspective to complement the group of qualified individuals currently comprising the audit team.

We trust that this request will meet your approval. Unless otherwise notified by your office, Mr. Lenart will begin performing this function on September 14, 1987. Should you have any questions regarding this matter, please contact Mr. Steven R. Frost at (313) 586-4210.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ralph Lytle".
