This contract shall commence on October 1, 1986 and end on September 30, 1988 with one twelve-month option period."

8. The following clause is hereby incorporated as Section H.3 of the contract.

"H.3 Option to Extend the Period of Performance

This contract may be extended for one additional twelve month period at the option of the Government by the Contracting Officer. The Contracting Officer will give preliminary written notice of an intent to exercise such option ninety (90) days prior to the last day of the period of performance (such preliminary notice shall not be construed as an exercise of the option) and will not bind the Government to exercise the option. This notice will include the Government's estimate regarding the amount of effort required for performance under the option period. Any revision or additions to the Statement of Work will also be included in the notice.

Upon receipt of the notice of intent to exercise the option, the Contractor shall submit to the Contracting Officer, within thirty (30) days a cost estimate for the proposed extended period of performance. This cost estimate shall be prepared in the identical format as the original cost proposal.

If the Government exercises the option, the total duration of this contract, including the exercise of the option, shall not exceed thirty-six months."

All other terms and conditions remain the same.
