Re: License No. 25-16883-01 Renewal

Gentlemen:

This letter is a formal request to renew our Materials License. As per the instruction sheet for application renewal, we are taking the option (item #4) with a letter request for renewal because our program has not changed.

Storage location is in Room 312, Yellowstone County Courthouse, Billings, Montana, as noted on NRC form 374A (8-82) dated April 15, 1983, (copies enclosed).

Persons using the Troxler Moisture - Density Gauge are Alan Deonier and Mary Ann McCann as previously documented.

The license fee status is exempt. The person to be contacted regarding information and correspondence for the license is Mr. Harlan M. Lund, County Surveyor, Room 312, P.O. Box 35023, Billings, Montana 59107.

Sincerely,

A handwritten signature in cursive script that reads "Alan Deonier".
