

To: { NRC's Atomic Safety and Licensing Board  
 PG&E Waste Storage Expansion Hearings  
 San Luis Obispo Isd., Avila Beach, CA  
 June 15, 1987

THE FIRST PARAGRAPH OF A FRONT PAGE ARTICLE IN THE TELEGRAM TRIBUNE DATED SAT-SUN, JUNE 13-14, 1987 STATES:

JUN 10 P3:16 "High density nuclear waste storage,  
 like the kind Pacific Gas and Electric Co.  
 is proposing for Diablo Canyon, could  
 cause a nuclear plant accident twice  
 as serious as a reactor core meltdown -  
 especially if an earthquake hits, a  
 national laboratory report said."

THE ARTICLE GOES ON TO SAY THAT THE N.R.C.  
 KNEW ABOUT THE REPORT AND KEPT IT  
 FROM THE PUBLIC!

ONCE AGAIN, IT LOOKS LIKE THE N.R.C.  
 WANTS TO IGNORE POTENTIAL DANGER TO THE  
 LIVES OF THE PEOPLE LIVING AROUND THE  
 Diablo Canyon Nuclear Power Plant.  
 I'M SCARED!! I DON'T WANT TO BE A  
 VICTIM OF "THE ACCIDENT AT DIABLO CANYON"  
 I DON'T WANT MY HUSBAND, my son,  
 OR THE NEW BABY WE'RE EXPECTING IN  
 NOVEMBER TO BE VICTIMS EITHER. IT IS  
 SO TERRIBLE TO LIVE WITH THE FEAR OF  
 HUMAN ERROR, EQUIPMENT FAILURE, ACTS  
 OF GOD, ... WHICH ONE IS GOING TO  
 CAUSE "THE ACCIDENT AT DIABLO CANYON"?  
 IS THERE GOING TO HAVE TO BE DEATH,  
 DISEASE, SUFFERING AND PAIN BEFORE  
 SOMETHING IS DONE TO STOP THE RIDICULOUS  
 POLITICS THAT CONTROL THE FATE OF  
 DIABLO CANYON?

870911G071 870615  
 PDR ALCK 05000275

NOTHING WOULD MAKE ME FEEL SAFER  
AND HAPPIER THAN TO HAVE DIABLO CANYON  
SHUT DOWN, BUT, UNTIL THAT HAPPENS, I'LL  
CHOOSE A REACTOR CORE MELTDOWN OVER  
"AN ACCIDENT TWICE AS SERIOUS AS A REACTOR  
CORE MELTDOWN" RESULTING FROM THE  
HIGH DENSITY NUCLEAR WASTE STORAGE  
PROPOSED BY PG & E FOR DIABLO CANYON.

Sincerely,

Mary Louise Coors
