Docket No. 88-80402 - SP

Dear Judge Bloch:

In response to Colleen P. Woodhead's letter to you dated August 24, 1987, I am forwarding to you copies of the following documents:

- 1 The original exam packet, including the original denial letter
- 2 Letter dated February 11, 1987 from Jack Goldberg to David W. Held
- 3 Letter dated March 6, 1987 from David W. Held to Jack Goldberg
- 4 Letter dated May 14, 1987 from Colleen Woodhead to David W. Held
- 5 Oral Presentation outline with attachments presented by David W. Held to Region 1 NRC on June 5, 1987

Missing from this list and Colleen Woodhead's letter are:

- A) Memo and/or transcript of March 20 1987 telephone call between the NRC and Duquesne Light Company Management
- B) Transcript and/or notes taken by R. Keller, N. Dudley, and S. Collins at June 5, 1987 meeting
- C) The original or copies of the notes taken by Mr. Norris on yellow lined paper during the simulator exam

- D) Copies of correspondence between David W. Held and NRC FOIA, their response, and the subsequent appeal
- E) Transcripts of conference calls between FOIA, NRC Region 1, and David W. Held
- F) Transcripts of numerous telephone calls between David W. Held and Region 1 NRC
- G) Correspondence between David W. Held and The Office of Inspector and Auditor, NRC

Items A,B,C,E, and F I do not have, but they may be available from the appropriate office of the NRC.

Item D I can supply to you upon request if you feel it has any merit.

Item G I will be happy to supply to you upon conclusion of the ongoing investigation.

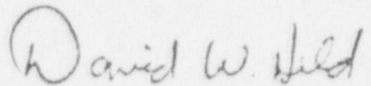

Also enclosed is my service list for copies of submittals. If any office has been omitted, please inform me.

My written filing to summarize the case will be submitted by the October 5, 1987 deadline.

I support and request that I be permitted to give an oral presentation and suggest that the site for the presentation be the Beaver Valley Power Station Unit I Simulator in Shippingport, Pennsylvania.

The NRC should have all of the above mentioned documents in their files.

Sincerely,

David W. Held
