Dr. Glenn T. Seaborg
Chairman
Atomic Energy Commission
Washington 25, D.C.

Dear Dr. Seaborg:

I am enclosing some material which I received from the Executive Secretary of the Northern California Association to Preserve Bodega Head and Harbor.

It would be most helpful to me if you could have someone on your staff review this material critically in order that I may have full and accurate information on the subject.

Best personal regards,

Sincerely yours,

Jeffrey Cohelan
Member of Congress
