Mr. Harold L. Price
Director of Regulation
U. S. Atomic Energy Commission
Washington, D. C.

Dear Mr. Price:

Attached is a copy of a letter received by the Joint Committee from Mr. David E. Pesonen, Executive Secretary, Bay Area Chapter of the Northern California Association to Preserve Bodega Head and Harbor.

In his letter, Mr. Pesonen presents several allegations concerning the manner in which the AEC is conducting its regulatory review of the application by Pacific Gas and Electric Company to build a nuclear plant at Bodega Head.

I would appreciate receiving your comments on the issues raised by Mr. Pesonen.

Thank you for your assistance in this matter.

Sincerely yours,

John T. Conway
Executive Director
