Dear Mr. MacDonald:

We are hereby officially requesting decertification of the NRC Certificate of Compliance (CoC) USA/5552/B( ), Gas Cylinder Fire Impact Shield. DOE was the only user of this CoC and no longer has a use for it. An extension of the NRC CoC was obtained to allow for two specific shipments which have already been completed.

If there are any questions, please contact me (353-5394) or Mary Regan of my staff (353-5678).

Sincerely,
