

DEC 15 1988

MEMORANDUM FOR: Ihor W. Husar, Chairman,
Regional Assistance Committee, FEMA II

FROM: Edwin F. Fox, Jr., Member
Regional Assistance Committee, FEMA II

SUBJECT: Review of LILCO'S Response to FEMA Post Exercise Assessment
June 7-9, 1988 of the Local Offsite Radiological Emergency
Response Plan; Response to RAC Review Comments for Revision
10 of this Plan; and LILCO's Ingestion Pathway Brochure

As you requested in your memorandum, Subject: FEMA Support for NRC Licensing of Shoreham Nuclear Power Station, dated December 7, 1988, I have reviewed the material as stated in the subject above and my comments are enclosed. I have no comments on the Ingestion Pathway Brochure for Farmers, Food Processors, and Food Distributors to offer at this time.

If you or your staff have any questions or comments concerning the enclosed, please give me a call (FTS 346-5044).
