Washington, D.C. 20555

SUBJECT: Peach Bottom Atomic Power Station
1989 Emergency Preparedness Exercise

Dear Sirs:

The Peach Bottom Atomic Power Station Annual Emergency Preparedness Exercise is scheduled for June 14, 1989. This will be a small scale exercise (i.e., will not involve off-site participation).

Enclosed for your review are two (2) copies of the confidential, detailed scenario for this exercise.

A schedule of exercise activities is as follows:

<u>ACTIVITY</u>	<u>DATE/TIME</u>	<u>LOCATION</u>
Pre-Exercise Briefing	Tuesday, June 13, 1989 Time: 1:00 p.m.	PBAPS Conference Center
Annual Exercise	Wednesday, June 14, 1989 Time: 8:00 a.m.	Station, TSC, EOF, EWC, HESC
Post-Exercise Critique	Thursday, June 15, 1989 Time: 1:30 p.m.	PBAPS Conference Center

1/0

Please forward a list of NRC observers to F.E. Weigand, Director, Emergency Preparedness, S14-3, so we can assure pre-arranged badging and authorized access to the PBAPS protected area.

As requested in your letter of January 26, 1989 to C.A. McNeill, one copy of the scenario has been sent to Battelle Pacific Northwest Laboratory, Attention: Mr. James Jamison, Emergency Preparedness Group, Health Physics Department, 2955 George Washington Way, Richland, WA 99352.

Should you have any comments concerning the scenario or questions concerning the schedule, please contact John H. Gerhart at 215-841-6466. Please mail all written comments on the scenario to F.E. Weigand.

Very truly yours,

Enclosures
