MEMORANDUM FOR: James Partlow, Director  
Division of Inspection Programs

FROM: John E. Zerbe, Director  
Regional Operations and Generic Requirements Staff

SUBJECT: RESOLUTION OF DIFFERENCES OF OPINION ABOUT INSPECTION  
FINDINGS, IE MC-0612

I have reviewed the subject draft IE Manual Chapter distributed by your memorandum of February 4, 1987, and do not recommend any changes. I believe the procedure sets forth the appropriate process to follow in resolving differences in opinion that may arise between inspectors (resident or region based) and regional management.
