RE: REQUEST FOR RENEWAL, LICENSE NO. 11 RD

Dear Ms. Geesey:

Please find attached Malapai Resources Company's (Malapai) In Situ Research and Development License Renewal Report for License No. 11 RD. The report covers Malapai's activities on the Peterson Project for the period of March 1, 1986 through April 1, 1987.

By this letter and attached report, Malapai is requesting renewal of License 11 RD. Due to the current conditions of the uranium market place, production has not begun on this property. However, we continue to be optimistic about the future development of this property and the industry, and respectfully request renewal of our R & D license.

If you should have any questions regarding the attached report, please contact me at (307) 235-1221.

Sincerely,

Donna L. Wichers
Environmental Manager
