C. Richard Van Niel, Emergency Preparedness Branch

SUBJECT: DOCUMENTS SUPPORTING THE PARTIAL DIRECTOR'S
DECISION IN PILGRIM

2.206 procedures require that we obtain a copy of each document referred to in the Director's Decision. In the event of an appeal of the Decision, the Solicitor's office will need the copies immediately.

Attached is a three-page list of each document referred to in the Decision. I have checked each of the documents that I now possess. I have marked "JH" (Joe Holonich) next to those documents we need to obtain from NRR and I have marked "DVN" (Dick Van Niel) next to those documents we need to obtain from Emergency Planning.
