MEMORANDUM FOR: Thomas A. Rehm, Assistant for Operations, Office of
the Executive Director for Operations

FROM: Office of Public Affairs, Region III

SUBJECT: DAILY STAFF NOTE - June 29, 1987

The Regional Administrator and representatives from EDO and NRR are meeting today with the General Vice President of Detroit Edison Company and the Chairman, Independent Overview Committee, to review Fermi 2 performance. This review is being conducted to assess Detroit Edison Company's request for Regional Administrator's approval to operate at Test Condition 3 (up to 75% power). Following the meeting, the Regional Administrator was interviewed by a reporter from the Ann Arbor News on Fermi 2 performance.
