Dear Edgerly:

SUBJECT: BEAVER VALLEY UNIT 1 SERVICE LIST

Our Licensing Assistant, Mrs. Shirley Norris, periodically reviews the Beaver Valley Power Station service list with the objective to help reduce the amount of mail the Federal government has to generate.

Please write a brief note, addressed to Mrs. S. Norris, U.S. NRC, Mail Stop 316, Washington, D.C. 20555, indicating your continued desire, if any, to remain on our mailing list. Please respond before November 20, 1987. Should you wish your name be taken off our lists, you need to take no further action.

Thank you for your cooperation.

Sincerely,

/s/
