General License

Gentlemen:

SUBJECT: AUTHORIZATION FOR TEMPORARY CONTINUED USE OF 3M PO-210 STATIC
ELIMINATION DEVICES

In accordance with your letter dated March 1, 1988, and as provided in
Section III., Paragraph C, of Order Modifying General License dated
February 18, 1988, you are hereby authorized to continue temporary use of
3M Po-210 static elimination devices now in your possession as described below:

<u>3M Model No.</u>	<u>No. of Devices</u>	<u>Location of Use Within Plant</u>
210	4	4315 S. Lafayette St., South Bend, Indiana

This authorization expires June 31, 1988 and is contingent upon your performing
(or having the following performed):

1. Leak tests of each 3M device at intervals not to exceed 30 days.
2. Contamination surveys of areas surrounding each 3M device at intervals not
to exceed 30 days.

This authorization does NOT permit you to receive new or replacement Po-210
static eliminators from 3M.

If you have any questions, please contact Bruce S. Mallett, Ph.D., at
(312) 790-5612.

Sincerely,

A. Bert Davis
