Subject: Docket No. 50-482: Security Inspection Report 482/89-12

Dear Mr. Martin:

This letter documents an April 4, 1989 telephone discussion between Mr. L. J. Callan of your staff and Mr. O. L. Maynard of my staff relative to Security Inspection Report 482/89-12. In the discussion, it was identified that Wolf Creek Nuclear Operating Corporation wanted to meet with Region IV personnel prior to submitting a response to the inspection report. Therefore an extension to the due date was agreed upon to allow time for the meeting where a new due date will be established.

If you have any questions concerning this matter, please contact me or Mr. O. L. Maynard of my staff.

Very truly yours,

Bart D. Withers
President and
Chief Executive Officer
