

August 3, 1989

P137

Mr. Wade Green  
Institute of Nuclear Power Operations  
Suite 1500, 1100 Circle 75 Parkway  
Atlanta, Georgia 30339-3064

Dear Mr. Green:

Enclosed for your information is our biweekly listing of generic communications being considered or under development by the NRC staff. These include Bulletins (type coded BL on the list), Information Notices (IN) and Generic Letters (GL). Temporary Instructions, that cover the special NRC inspection effort resulting from certain generic communications, are listed with the type code TI. This listing includes all proposed generic communications that had been reported to us by August 1, 1989.

Sincerely,

*Prasad Kadam*

*for*

Carl H. Berlinger, Chief  
Generic Communications Branch  
Division of Operational Events Assessment  
Office of Nuclear Reactor Regulation

Enclosure:  
As stated
