Dear Sirs:

This letter is to request an amendment in license number 22-18652-01 held by the Park Nicollet Medical Center, St. Louis Park, Minnesota.

We would like to request that the names listed below be added to our license as users for medical uptake, dilution, excretion, imaging, and localization studies. All have been certified in either Radiology or Diagnostic Radiology by the American Board of Radiology.

D. Clarke Tungseth, M.D.
Dominic Korbuly, M.D.
Timothy A. Leafblad, M.D.
James L. Halverson, M.D.
A. Samuel Baumel, M.D.
Alan L. Hill, M.D.

In addition, the name of John M. Benson, M.D., should be removed from the license, both as a user and as a radiation safety officer. We would like to change the radiation safety officer to Eugene L. Elvecrog, M.D. Dr. Elvecrog is currently listed as a user on our license.

D. Clarke Tungseth, M.D., and Alan L. Hill, M.D., will be designated as backup radiation safety officers in Dr. Elvecrog's absence.

A check for \$120 is enclosed to cover the amendment fee. Please contact Tom Youngberg, Radiology Administrator, at 612/927-3646 if any further information is needed to process this request.

Sincerely,

Tom Youngberg
