Portland General Electric Company  
121 S. W. Salmon Street, TB-17  
Portland, Oregon 97204

Attention: Mr. David W. Cockfield  
Vice President, Nuclear

SUBJECT: AMENDMENT 14 TO THE TROJAN RADIOLOGICAL EMERGENCY PLAN

We have completed a review of Amendment 14 to the Trojan Radiological Emergency Plan submitted under cover letter TDW-13-89, dated January 5, 1989, in accordance with the provisions of 10 CFR 50.54(q).

The results of our review were discussed during telephone conversations on April 19 and 20, 1989, between Ms G. Good of my staff and Messrs. J. Thale and F. Jones of your staff. It is my understanding that most of the issues discussed were minor and of a clarifying nature.

Our review indicates that your plan, as changed, continues to meet the standards in 10 CFR 50.47(b) and the requirements of 10 CFR Part 50, Appendix E.

Sincerely,

*Original Signed*

R. F. Fish, Chief
