Attention: Chief, Nuclear Materials - Safety Section

Dear Sir:

Enclosed is an Application for Amendment to our license  
No. 45-24857-01.

The purpose of this amendment is to include additional  
radioactive sources which we anticipate adding to our inventory.

Other changes include the designation of a new Radiation  
Protection Officer, Assistant Radiation Protection Officer, and  
additional Responsible Individuals.

Also enclosed is a check in the amount of \$180.00 for the  
application fee as specified in the NRC Rules and  
Regulations, CFR10, Part 170, May 31, 1984.

It is requested that this amendment be processed as soon  
as possible. Your attention and assistance in this matter is  
greatly appreciated.
