Nuclear Regulatory Commission  
Region III

Dear Mr. Sreniawski:

We have recently undergone a NRC inspection in May and find that we were cited with 3 deficiencies - one of which pertained to a failure on our part to post Form NRC-3 "Notice To Employees" as well as Parts 19 & 20. I do not have copies of these documents and I would therefore ask that you forward copies of these forms so that we will be in compliance with NRC Regulations.

Thank you for your assistance in this matter.

Sincerely,

J. David Hoover, Ph.D.  
Vice President, Technical Operations
