UNITED STATES
 NUCLEAR REGULATORY COMMISSION
 WASHINGTON, D. C. 20555

Dr. Stanislav Havel, Chairman
 Czechoslovak Atomic Energy Commission
 Slezká 9, Prague 2
 Czechoslovakia

Dear Chairman Havel:

Thank you for your letter of June 27, 1989. Chairman Zech retired from the NRC on June 30, and I have been appointed by the President to succeed him.

I welcome your invitation for a technical delegation from the NRC to visit Czechoslovakia this fall. The Commission accepts the two topics listed in your letter for discussion and proposes that the visit take place on October 9-13, 1989. During this period, we suggest that the delegation hold technical discussions at the CAEC and visit some nuclear sites outside Prague.

Commissioner Kenneth C. Rogers will lead the delegation, which would consist of about 5 people. If the dates proposed are acceptable to you, our International Programs staff will follow up and assist with the details for preparing the visit.

The Commission looks forward to the start of a fruitful exchange of nuclear safety information between our agencies.

Sincerely,

Kenneth M. Carr
