Alexander Adams, Jr., Project Manager
Standardized and Non-Power
Reactor Project Directorate
Division of Reactor Projects III, IV,
V and Special Projects
Office of Nuclear Projects
United States Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Adams:

Based on our conversation of September 1, 1988 we wish to submit the enclosed Technical Specifications with alterations. A copy of these specifications will be forwarded to Dean Chaney of NRC region IV. In addition I have enclosed a copy of a letter to Dean Chaney concerning his inspection and our response to that inspection.

Sincerely,

Edwin F. Jackson
Radiation Safety Officer
