RE: License: SNM - 1394, Program Code: 22160

Dear Sirs:

Sorry for the delay in sending you the necessary information to renew our license.

1. Number of our license is SNM - 1394
2. Luther Hospital

This is a new zip code and address which we just incorporated. The old address was: 310 Chestnut St., with a zip of 54701.
3. We would like to be authorized for one plutonium pacemaker at this time.
4. We plan on just following our one patient that has an implanted pacemaker. It will be returned to the manufacturer when appropriate, for proper disposal. We plan on no future implants.
5. Under Condition 16 of our license we wish to add:

Doctor Kincaid is licensed to practice medicine in the States of Wisconsin and Maryland. His specialty board certification is Cardiology and he is a staff physician with our institution. He has implanted several pacemakers and is indeed familiar with them.

To be excluded in Number 16 is the name of James D. Russell, who is no longer the administrator. The name of Joseph W. Gross, President, should be included.

Sincerely,
