RE: Freedom of Information Act Request

FREEDOM OF INFORMATION
ACT REQUEST

FOIA-89-348
Rec'd 8-14-89

Under the provisions of the Freedom of Information Act, 5 U.S.C. I am requesting access to any and all documents and information relating to an incident that occurred in Bloomington on the Indiana University campus. This incident took place at the old Tenth Street Memorial Stadium and involved radioactive materials stored there. I was informed that materials were said to be leaking from corroded drums or barrels and that the NRC came to Bloomington to personally investigate the matter.

If any or all of the request is denied, please cite the specific exemption(s) which you think justifies your refusal to release the information, and inform me of the appeal procedures available to me under the law.

I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 10 days as the law stipulates.

Very Sincerely Yours,

Leola K. Wolfe
