Re: Public Service Company of New Hampshire, et al.  
Docket Nos. 50-443-OL and 50-444-OL

Dear Barbara:

To confirm our conversation of earlier today, Town of Amesbury (TOA) does not intend to litigate JI Contention 2 so long as Applicants adhere to their present plan of not routing traffic across the "grassy median" at I-95/Rte 110. The next iteration of the contentions compilation will reflect this decision by TOA.

Very truly yours,
