Gentlemen:

SUBJECT: REPORT NO. 45-16452-01/89-01

Thank you for your response of June 7, 1989, to our Notice of Violation issued on May 12, 1989, concerning activities conducted at your Hampton facility under NRC License No. 45-16452-01. We have evaluated your response and found that it meets the requirements of 10 CFR 2.201. We have taken note of your apparent objection to the first part of the Notice of Violation sent to you May 12, 1989. It was the understanding of the inspector that this individual had performed one radiography job during this period. We will accept your objection but would caution you to take special note of 10 CFR 34.11(d)(2). We will examine the implementation of your corrective actions during future inspections.

We appreciate your cooperation in this matter.

Sincerely,
