Transportation, NMSS

Ref: Quality Assurance Program Approval for
Radioactive Material Packages No. 0095-(USNRC
Letters dated August 8, 1989 and August 23, 1989)

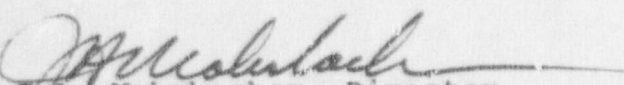

Dear Mr. MacDonald:

Since our current activities are presently conducted under Quality Assurance Program Approval for Radioactive Material Packages No. 0641, we do not desire to renew Approval No. 0095.

It is our understanding therefore, that the \$150.00 application fee is not applicable to permitting Approval No. 0095 to expire.

If you have any questions or comments, please contact the undersigned at (201) 792-2400, ext. 297.

Sincerely,

J.A. Mohrbacher, Director
Office of Radiation Safety
and Quality Assurance
