DESCRIPTION OF MATERIALS OR FACILITIES

This amendment is issued to add the following provision to the original license:

Equipment, tools, components and materials covered by this license may be disposed of or returned to General Electric Company or General Electric Technical Services Company, or to another location, in the United States, or transferred to the site of another reactor exported pursuant to a facility export license issued by the U.S. Nuclear Regulatory Commission to General Electric Company or its wholly owned subsidiary, General Electric Technical Service Company (GETSCO).

No other changes are made.

END

Neither this license nor any right under this license shall be assigned or otherwise transferred in violation of the provisions of the Atomic Energy Act of 1954, as amended and the Energy Reorganization Act of 1974.

This license is subject to the right of recapture or control by Section 108 of the Atomic Energy Act of 1954, as amended and to all of the other provisions of said Acts, now or hereafter in effect and to all valid rules and regulations of the Nuclear Regulatory Commission.
