Gentlemen

SUBJECT: INQUIRY NO. 89-001

This letter refers to a telephone inquiry between you and Steven Courtemanche of this office conducted on May 1, 1989 concerning activities authorized by License No. 06-19779-01 as they relate to the return of mail to the Region I Office.

From this discussion, it is our understanding that Mr. Newell is no longer working for the company and that you will be the Acting Radiation Safety Officer (RSO) until full responsibility for the license is assigned. An amendment for this change is required and must be sent to the Region I Office at 475 Allendale Road, King of Prussia, Pennsylvania 19406. In the amendment, please include documentation of the designated RSO's training for the use of this type of licensed material. It is also our understanding that the licensed material has been in storage for two years and will remain in storage until an RSO is approved by the NRC. If our understandings are incorrect, please inform us in writing.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. Should you have any questions concerning this inquiry, we will be pleased to discuss them with you.

Your cooperation with us is appreciated.

Sincerely,
