Docket No. 50-341

Mr. B. Ralph Sylvia  
Group Vice President-Nuclear Operation  
Detroit Edison Company  
6400 North Dixie Highway  
Newport, Michigan 48166

Dear Mr. Sylvia:

SUBJECT: NRC DETROIT EDISON MONTHLY PROGRESS MEETINGS FOR FERMI-2

Our staff has two requests concerning the Fermi-2 Monthly Progress meetings. First, it would be extremely beneficial if attendees were provided with copies of any slides scheduled to be presented at the time of the actual meeting. Second, please provide our staff with a list of acceptable dates for the upcoming meetings through July 1989, so that we can begin to schedule the meetings with NRR and Regional Management. The meeting dates will be subject to the availability of NRR and Regional staff. These items should facilitate more productive monthly meetings.

Thank you for your assistance.

Sincerely,

Lynn Kelly, Project Manager  
Project Directorate III-1  
Division of Reactor Projects - III, IV, V  
& Special Projects
