

SERVICE FOR EVALUATING REGULATORY CHANGES

August 31, 1989

E. William Brach, Chief  
Vendor Inspection Branch  
Division of Reactor Inspection and Safeguards  
Office of Nuclear Reactor Regulation  
U. S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Brach:

This letter is a followup to my letter of August 3 regarding the applicability of 10 CFR Part 21 to vendors. Inasmuch as I have not as yet received an answer to that letter, I am enclosing another copy, in the event the first letter has gone astray. I would very much appreciate any input you may have to these questions. If, on the other, you believe the questions should be directed elsewhere, please let me know.

Thank you for your assistance.

Sincerely,

*Nancy G. Chapman*
