Docket No. 030-01815
License No. 20-00671-02

Dear Mr. Shanbaky:

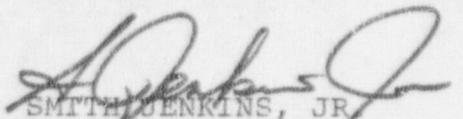

1. In response to the Notice of Violation issued pursuant to the routine safety inspection No. 030-01815/89-001 conducted by Mr. Selvan Rajendron of your office on April 18, 1989, we submit the following:

a. Corrective steps taken and results achieved: A letter dated April 27, 1989 was mailed to your office naming Kimberly A. Schindler as Radiation Safety Officer. As described in an additional letter sent to your office on June 12, 1989, Ms. Schindler meets the requirements for Radiation Safety Officer as stated in 10 CFR 35.900.

b. Corrective steps to avoid further violations: This violation and the requirements stated in 10 CFR 35.14 for notifying the NRC were discussed with Medical Center Management at the Radiation Safety Committee meeting. All members of the committee are now aware of the requirement.

c. Date of full compliance: The Medical Center was in full compliance with this requirement as of April 27, 1989 as described in part a.

2. If you need further information, please contact James Carney, Administrative Assistant to the Chief of Staff, at (617) 739-3474.
