Subject: Freedom of Information Act Request

To Whom It May Concern:

To follow-up on a telephone conversation with John Kinneman and Frank Costello of the USNRC, I would like to request copies of file information pursuant to the Freedom of Information Act.

The information desired is copies of any file documents from the last 10 years on the Department of the Army, U.S. Army Laboratory Command, Materials Technology Laboratory located in Watertown, Massachusetts; please include any licenses, back-up information supporting the issuance of any licenses, field notes and any inspection reports. I would also appreciate it if you could send me a copy of the USNRC's Regulations as they pertain to the disposal of radioisotopes to the sewerage system.

Thank you for your assistance in this matter.

Very truly yours,

David E. Mannix
