Dear Mr. Lewis:

I wish to express the appreciation of all the NMEID members who participated in the April 25th tour of your facilities for the hospitality and courtesy extended to us. As per our discussions of the 25th, the NMRPB notes Chevron's interest with respect to the possible renewal of the Mt. Taylor Mill License NM-GUL-ML-00. If there are any questions or if you require any information concerning the renewal process or the current license feel free to contact me directly.
