Gentlemen:

The U.S. Nuclear Regulatory Commission received an allegation concerning the implementation of your Fitness for Duty Program at your Zion Station. We have concluded that the allegation does not provide sufficient details or basis to indicate that a potential safety concern exists. We are providing the attached details of this allegation to you for your information. No response is required; however, should you determine that the allegation is substantiated and has safety significance, please notify the Region of this information. Please contact Mr. J. R. Creed (790-5643) if necessary.

The enclosure to this letter should be strictly controlled and distribution limited to personnel only with a "need to know" until your investigation of the allegation has been completed. The enclosure to this letter is considered as Exempt from Public Disclosure in accordance with Title 10, Code of Federal Regulations, Part 2.790(a). However, a copy of this letter, excluding the enclosure, will be placed in the NRC Public Document Room.

Any response that may result from this letter will not be subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.

We will gladly discuss any questions you may have concerning this information.

Sincerely,
