Mr. James L. Mackin
New Mexico Environmental Improvement Division
P. O. Box 968
Santa Fe, New Mexico 87503

Dear Mr. Mackin:

Your letter of January 22 invites our participation in estimating and organizing the input data for the computer analysis in connection with the radiological assessment for our Mt. Taylor Uranium Mill.

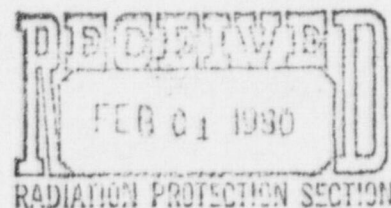

Your invitation is appreciated and we look forward to participating. It is suggested that you work out the time for the meeting with Phil Morton and Lee Bunney.

Sincerely,

W. L. Rogers
