Organization/Personnel Changes  
Shoreham Nuclear Power Station - Unit 1  
Docket No. 50-322

Gentlemen:

LILCO has announced a number of personnel and organizational changes at the Shoreham Nuclear Power Station.

Please be advised that LILCO has reviewed the changes to ensure that qualified personnel continue to carry out the duties and responsibilities of positions described in licensing basis documents such as the SNPS Updated Safety Analysis Report. The following paragraphs describe these changes. LILCO concludes that the personnel designated to carry out the duties and responsibilities of the positions described below meet or exceed the qualification requirements described in the licensing design basis.

First, I, John D. Leonard, Jr. have been assigned Vice President-Corporate Services. The Office of Nuclear will be headed by William E. Steiger, Assistant Vice President - Nuclear, who is an Officer of the Long Island Lighting Company and has the duties, responsibilities and authority that I had, except as explained below. Mr. Steiger will report to LILCO's President and Chief Operating Officer, Mr. Anthony F. Earley, Jr.

Effective August 1, 1989, my new responsibilities, three of which are directly related to Shoreham, will include the following:

- o Office of Training (under the direction of Stanley S. Skorupski)
- o Corporate QA Department (under the direction of Joseph M. Kelly)

- o Nine Mile Point 2 oversight group (under the direction of William J. Tunney)
- o Emergency Planning group (under the direction of Douglas M. Crocker)
- o Nondestructive Testing group (under the direction of Joseph J. McCarthy)

Additionally, LILCO has announced the following personnel transfers/reassignments:

- o Jack A. Notaro, Manager, Nuclear Quality Assurance, to Assistant to the Vice President - Gas Operations
- o William Maloney, Manager Quality Control Division to Manager Nuclear Quality Assurance
- o Charles A. Daverio, Manager, Nuclear Operations Support Department to Assistant Department Manager in the Gas Supply and Planning Department.
- o Richard Gutmann, Assistant Manager, Nuclear Operations Support Department to Manager, Nuclear Operations Support Department
- o Richard T. Purcell, Operations Manager to Assistant Department Manager New Business
- o Michael Case, Operating Engineer to Operations Manager

It also should be noted that for the present Mr. J. A. Scalice, the current Plant Manager, will be retained in that position. Mr. R. M. Kascsak, the Acting Nuclear Engineering Department Manager, will become the Nuclear Engineering Department Manager.

Should you have any questions concerning these changes please do not hesitate to call my office.

  
John D. Leonard, Jr.  
Vice President - Nuclear Operations
