Gentlemen:

Subject: Inspection No. 040-00341/88-001

This refers to the closeout safety inspection conducted by representatives of NRC Region III on August 18, 1988 at the Defense Construction Supply Center in Columbus, Ohio of activities authorized by the above listed NRC license. Areas examined during this closeout inspection are described in the inspection report which is enclosed with this letter. Within these areas, the inspection consisted of observations and independent measurements by the inspectors. The findings of the inspection were discussed with Kevin Reilly of your office at the conclusion of the inspection.

Within the scope of this inspection, no violations were identified.

A copy of the enclosed inspection report was forwarded to the reviewer responsible for amending your license.

In accordance Section 2.790 of the NRC's "Rules of Practice" Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosure will be placed in the Public Document Room.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
