Manager of Purchasing

Copes-Vulcan has determined that the valve weight and/or center of gravity referenced on some assembly drawings prior to 1980 may be incorrect. If the assembly drawings Copes-Vulcan provided your company includes this data and you require additional information, please contact Dale Mays, Quality Control Manager. On the attached sheet are Listed the job numbers on which Copes-Vulcan supplied valves to your company during the time frame in question.

Cordially,

Dale R. Mays
Quality Control Manager
