Dear Mr. Quaid:

Thank you for the information you sent in your transmittal postmarked February 18, 1989. For your information, I have been designated as the appropriate NRC individual for receipt of information of this type. I will keep it on file in Region I and will also ensure it is entered into the Public Document Files.

As I indicated to you in our earlier telephone call, I have responsibility for the operation of the NRC TLD Direct Radiation Monitoring Network. If you have questions regarding that network relative to your own monitoring program, please feel free to call me (215) 337-5281.
