Denver, Colorado 80201

Gentlemen:

Enclosed for your signature is NRC Form 591, "Safety Inspection." Please note the apparent violation observed during the March 20, 1989, initial inspection of your NRC Byproduct Material License 05-26858-01, and discussed with Mr. Michael Cooper at the conclusion of Ms. L. L. Kasner and Dr. D. B. Spitzberg's inspection. By signing the NRC Form 591, you agree to correct the violation within 30 days. Please keep the original for your records and return the remaining copies in the envelope provided.

During the inspection, the NRC inspector discussed with Mr. Cooper: (1) the safety aspects of your licensed activities and compliance with regulatory requirements, (2) the NRC and DOT requirements, (3) the licensee's commitments made during the licensing process, and (4) the NRC enforcement policy.

If you have any questions concerning this matter, please call me at (817) 860-8100.

Sincerely,

Original Signed By:
Dale A. Powers

Dale A. Powers, Chief
Nuclear Materials Inspection Section
