Gentlemen:

Thank you for your letter of September 5, 1989, which described the corrective actions General Electric (GE) has and will implement in response to the Items of Nonconformance identified in our letter of August 3, 1989. The GE response to those items was adequate and no additional information is requested.

The corrective actions described in your September 5, 1989 response will be reviewed during a future NRC inspection.

Sincerely,

Original signed by E. William Brach
