OFFICE OF ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: J&L Testing Company, Inc. (EA 96-110)
Canonsburg, Pennsylvania 15317

Docket No. 030-33725

Subject: ORDER REVOKING LICENSE

This is to inform the Commission that an Order Revoking License will be issued on or about April 10, 1998, to J&L Testing Company, Inc. (JLT). The action is based on an inspection and an OI investigation which found deliberate and widespread wrongdoing by JLT, including unauthorized use of byproduct material, materially inaccurate statements made to the NRC, violations of license conditions, and deliberate destruction of records material to the NRC. The license was suspended by Order dated September 27, 1995, and a subsequent OI investigation revealed further wrongdoing, as set forth in the Order. Concurrently on this date, the NRC is issuing Orders Prohibiting Involvement in Licensed Activities to Lourdes Boschuk, the president of JLT, and John Boschuk, Jr., an agent for, and consultant to, JLT.

The investigative findings raise serious concerns regarding JLT's willingness to comply with the Commission's requirements. Consequently, the staff lacks the requisite reasonable assurance that JLT's operations can be conducted in a manner that the public health and safety, including the health and safety of JLT employees, will be protected.

It should be noted that JLT has not been specifically informed of the enforcement action. The schedule of issuance and notification is:

Mailing of Notice April 10, 1998
Telephone Notification of Licensee April 10, 1998

The Commonwealth of Pennsylvania will be notified.

The licensee has twenty days from the date of the Notice in which to request a hearing.
