Dear Mr. Ellison:

As you requested, I am hereby acknowledging receipt of your December 6, 1986, letter to me. The letter was received by the Office of Inspector and Auditor on December 12, 1986.

In response to your letter, Investigator Edward T. Campbell contacted you on January 8, 1987, and requested an interview to clarify your allegations and obtain any additional information you have regarding these allegations. At that time, you declined to be interviewed.

In your subsequent telephone call to me on January 8, you stated you would meet with us once you get "all the pieces of the puzzle" together.

You indicated to Mr. Campbell, as well as to me, that at this time you were seeking only a written response to your December 6, 1986, letter.

Please advise Investigator Campbell when you are ready to meet with him. His telephone number is 301-492-4453.

Sincerely,

Sharon R. Connelly, Director
Office of Inspector and Auditor
