

DL DEIBEL LABORATORIES

January 27, 1988

Nuclear Regulatory Commission Region III
Materials Licensing Section
799 Roosevelt Rd.
Glen Ellyn, IL 60137

To Whom It May Concern:

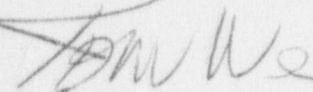

Deibel Laboratories, Inc. is hereby submitting an amendment to License No. 48-25841-01

The amendment provides for the change in the location of the laboratory in which the radioisotope (Phosphorous-32) will be utilized.

The street address of the laboratory remains unchanged. The physical location of the laboratory is to be moved from the first floor to the second floor. It should be noted that all other aspects of the license remain unchanged.

If you require clarification or additional information, please contact me at 608-256-6219.

Sincerely,

Tom Weiner, Mgr.
