RE: Amendment to license for use of RAD S.L.Inc. IR-192 Wire

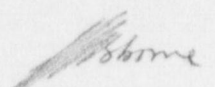

Dear Ms. Graden,

We request our radioactive materials license, number 24-13246-01, be amended for the use of RADS S.L., Inc., Iridium -192 wire (NRC Model #SL771) for the treatment of cancerous lesions. This wire will not be cut or modified in any way by our Center.

Enclosed is the \$120.00 fee for this amendment.

I am looking forward for your reply.

Sincerely,

  
Colville E. Osborne, M.S.  
Physicist
